

Pavaso Order Download

On the “Closed” orders tab in the Order Lobby of Digital Close Enterprise, we added a new column with a download icon for each order.

Selecting this icon will download a zip file for that order that contains the following:

- Signed, tamper-sealed documents
- Audit log
- RON video recordings (if RON signings were completed for the order)

ACTUAL CLOSING DATE	STATUS	DOWNLOAD 
09/23/2025 08:31 AM Central	Closed	
09/23/2025 08:33 AM Central	Closed	

IMPORTANT NOTES:

- We strongly recommend allowing each download to finish before starting another download.
- Always open and check the contents of the zip file to ensure all items downloaded properly.

Should you run into any issues, [contact Pavaso Support](#).
