

Security Question Statuses

Pending

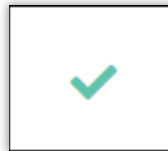

Pending status indicates waiting for a step to be completed. Some company settings allow a Skip KBA option.

Passed

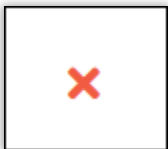

User passing the Security Question will show a green check mark.

Note: If Skip KBA is turned on for your company, this green check mark will show after the step is skipped.

Failed

If a User fails their attempt, a red X will show. If company settings allow Skip KBA, the same red X will show with the Skip option.
