

## Before Your Signing

### Complete your Pavaso Notary Certification.

- If you have not already done so, complete our training at [www.pavaso.com/notaries](https://www.pavaso.com/notaries). After completing your training, you will receive a certificate from Pavaso.
- **Optional:** If you will be electronically notarizing on the platform, you must register your eNotary information with Pavaso. Follow [these steps](#) to do so.

### Confirm your equipment and order status.

1. Verify the hardware you are using meets our [minimum system requirements](#).
2. You must have working Wi-Fi or Hotspot access. If you do not believe you will have access to the internet for your signing appointment, contact the title company for an alternate option.
3. Contact the title company to confirm how you will receive the wet sign documents for this appointment, if applicable. You will physically bring these with you to the appointment.
4. Sign in to your Pavaso account and confirm the order you are assigned to is in **Pending Closing** status. If the order is not in Pending Closing status, contact the title company immediately.
