

Upload a New Seal

Open the Notary section of your profile. Hover over your name and select **My Profile**. Select the **Notary** tab, and **Notary Commission Information**.

Upload a Custom Seal

Scroll to the **Upload Personal Seal** link. If you have previously uploaded a seal, this link will say **Edit Personal Seal**.

County Bay

Notary seal

[View form](#) [Re-Import](#) [Additional Documents](#) [Download Seal](#) [Download Form](#) [Upload Personal Seal](#)

Upload the desired digital seal and select **Save**. This seal will now be used when electronically notarizing on Pavaso.

Upload Personal Seal

Uploading your personal Notary seal will override the current seal configuration and place yours on the document instead of the current Pavaso generated seal.

TX_Notary_Seal.png

Drag and drop file here.

Choosing Between Custom and System Seal

If needed, you can switch back to the system-generated seal. Select which seal is preferred from the drop-down.
